Find Paradise at Casa Velas Boutique Hotel

Article & Photos by Ron Bruzil.com

Visit Casa Velas Boutique Hotel in Puerto Vallarta, Mexico and feel like you are walking into a living, breathing, Monet painting. Nestled on the greens of Marina Vallarta golf course, this hacienda-style luxury resort is truly picturesque: the perfect backdrop from every angle. From the luscious tropical landscapes, to the tranquil, cascading fountains, its arches and lines draw you in and captivate you. Beautiful, big wisteria trees frame the impeccably manicured golfer's paradise, while the expansive tropical landscape screams for a panoramic bridal portrait.

One would expect impeccable hospitality from a AAA Four Diamond resort. And that is exactly what you get at Casa Velas. From the moment you clear customs, you are treated like royalty! With 2.5 hosts for every guest, patrons can truly leave their troubles behind. At this all-inclusive paradise, you are always greeted with a smile, an open door, and a fresh tropical cocktail. Large koi greet you from their Monet-like-painting of a pond, while

exotic birds dance around and strike a pose for your camera.

A highlight of the Casa Velas experience is the relaxing spa. Its aromas, calming sounds, and skilled massage therapists will relax and rejuvenate you as you melt into the massage table. You may continue your spa experience in the privacy of your luxurious suite where a private Jacuzzi offers a perfect vantage point to enjoy the impeccable tropical views.

Take a quick drive to the downtown area and feel like you have just stepped into an old Spanish movie. The town welcomes you with its authentic, historic architecture. Cobblestone walkways are filled with children playing and enjoying their after school ice cream treats, while the courtyards are lined with artists, and merchants rich with Mexican culture. If shopping for shoes, silver, or leather, you are certain to find a bargain.

This all-inclusive paradise is truly a Four Diamond experience! It is the perfect place for a wedding, honeymoon or romantic vacation. 🍷
